Lordwin Hydraulics

<https://www.indiamart.com/lordwinhydraulic/>

We are a renowned manufacturer, supplier and exporter of Industrial Equipment & Plants, Hydraulic Systems & Seals. These products are widely demanded in the market for its flawless quality and durability.

About Us

Established in the year **2004**, we, “**Lordwin Hydraulic**”, are one of the trusted manufacturers, suppliers and exporters of an excellent range of **Industrial Equipment & Plants, Hydraulic Systems & Seals**. Our range includes **Construction Equipment, Aviation Ground Equipment, Plastic Processing Machinery, Earth Moving Equipment, Forging & Die Casting, Garbage Disposal Equipment, Material Handling Equipment, Marine Equipment** and **Manifold Blocks**. Moreover, we offer **Power Pack Units, Hydraulic Presses, Hydraulic Power Packs, Jacks, Hydraulic Cylinders, Steel Plants, Cement Plants, Cold Rolling Mills** and **Seals**. High-grade raw material such as steel, alloys and others are used for manufacturing these equipment and accessories. Cylinder barrels and piston rods are hard chrome plated as per ISI standards that ensure their durability and superior performance. We also employ advanced machinery and cutting-edge technology for designing as well as fabricating the entire range of products. The products offered by us are known for their excellent performance, even in harsh weather conditions. Our range of Garbage Disposal Equipment is eco-friendly , hygienic in nature and user friendly that has increased its demand in the market. Moreover, these equipment have complete operating control unit as well as overload protection and reverse motor drive facility. Spare parts offered by us are extensively used in cement...
